Last Nite
The Strokes

Last night she said
Oh, baby, I feel so down
She turned me off
When I feel left out
So I, I turned around
Oh, baby, I don't care no more
I know this for sure
I'm walking out that door

Well, I've been in town
For just about fifteen whole minutes now
Oh, baby, I feel so down
And I don't know why
I keep walking for miles

The people, they don't understand
No girlfriends, they can't understand
Your grandsons, they won't understand
And me, I ain't ever gonna understand

Last night she said
Oh, baby, don't feel so down
She turned me off
When I feel left out
So I, I turned around
Oh, baby, I'm gonna be just fine
It was a great big lie
'Cause I left that night

Oh, people, they don't understand
No girlfriends, they don't understand
In spaceships, they won't understand
And me, I ain't ever gonna understand

Last night she said
Oh, baby, I feel so down
She had turned me off
When I feel left out
So I, I turned around
Oh, I don't care no more
I know this for sure
I'm walking out that door, yeah
