She knows just what to do

She knows just what to do
She rocks to the east
She rocks to the west
But she's the girl that I love best

Tutti frutti, oh Rudy

A whop bop-b-luma b-lop bam bom

I got a girl named Daisy
She almost drives me crazy
I got a girl named Daisy
She almost drives me crazy
She knows how to love me, yes, indeed!
Boy, you don't know what you do to me

Tutti frutti, oh Rudy
